ALL RIGHTS RESERVED.

Dear Valued Exhibition Participants,

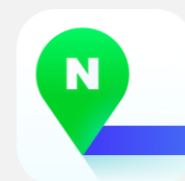

Welcome to Korea! We are truly delighted to have you join us at the exhibition. To help you make the most of your stay and explore our beautiful country comfortably, we've prepared a light tour guide especially for you. We hope it makes your time here even more enjoyable and memorable!

Quick **Map Tip** for Your Korean Journey

In Korea, Kakao Map and Naver Map are much more widely used and active than Google Maps. These two applications are highly optimized for Korean geographical information, making them exceptionally useful for real-time traffic updates and finding directions. Therefore, we highly recommend using Kakao Map or Naver Map. They will certainly be of great help for your navigation!
